

PATROL

ALL CLASS. ALL TERRAIN.

The iconic Nissan PATROL has always been the pinnacle of capability and versatility. It is now also the pinnacle of luxury and style. The new Nissan PATROL combines 70 years of legendary capability with a new standard in SUV refinement.

THE MOST DESIRABLE PATROL EVER

Feel the commanding presence of the Nissan PATROL, with a revolutionary design that exudes boldness and authority in any environment.

Light up the way to every adventure with all-new Organic C-Signature LED lights.

Machine-cut 18" alloy wheels add a formidable presence.

New rear lights feature smart sequential indicators that light up horizontally while the supporting design lines blend across the bold new tailgate.

PURE V8 POWER AT YOUR COMMAND

There is no substitute for pure power, and the Nissan PATROL's 5.6L V8 engine allows you to go where others don't dare. With a class leading 298kW of power, and an exceptional 560Nm of torque, this remarkably fuel efficient engine allows you to take command of any terrain.

POWER 400HP

TORQUE

AUTO TRANSMISSION

298kW 560Nm 7-Speed

NISSAN INTELLIGENT 4X4

OFF-ROAD CAPABILITY TO CONQUER ANY TERRAIN

Power and technology meet with Intelligent 4x4, ensuring that no matter how demanding the driving conditions, the Nissan PATROL will have maximum grip at all times, transferring drive between wheels and axles. Simply switch between four drive modes with just a press of a button.

HIGH RANGE FOUR WHEEL DRIVE
Stay on track, defying any slippery surface.

LOW RANGE FOUR WHEEL DRIVE
Take control of soft surfaces, mud, or steep inclines.

HILL DESCENT CONTROL (HDC)
Ensure you command the downhill rather than the other way around. With advanced Hill Descent Control, you can do it all with the simple push of a button.

REAR DIFFERENTIAL LOCK
The electronic rear diff lock allows you to gain traction in even the toughest conditions.

SAND
Tackle sandy conditions with ease and confidence.

ON ROAD
Optimum performance for on-road conditions.

SNOW
Snow is no match for the PATROL.

ROCK
Adjust throttle characteristics in real-time to crawl over rocks with ease.

HYDRAULIC BODY MOTION CONTROL (HBMC)
Nissan PATROL features a world first Hydraulic Body Motion Control suspension system. This 4-wheel independent system delivers a smoother ride, safer cornering by reducing body roll and guarantees enhanced overall stability.

CONFIDENCE TO OWN THE ROAD WITH NISSAN INTELLIGENT MOBILITY

The Nissan PATROL is equipped with driver assistance technology that helps you see more and sense more, to give you a hand when you need it most. It's a more connected, confident way to command on all surfaces in all conditions.

Vehicle Dynamic Control

Automatically prevents the vehicle from sliding sideways on slippery road surfaces when changing lanes or negotiating a curve.

Hydraulic Body Motion Control

Maximizes the suspension stroke on off-road running and prevents roll angle to maintain flat riding with high damping force at cornering. This system gives the Nissan PATROL superb stability on rugged and sandy terrain, while delivering a smooth ride on city streets.

ABS and EBD

The Anti-lock Braking System (ABS) helps prevent skidding during emergency braking, while Electronic Brake force Distribution (EBD) optimises brake force according to payload.

TOUGH OUTSIDE, REFINED INSIDE

Travel in luxury as the Nissan PATROL puts all the control at your fingertips. An 8" colour touch information screen, Bluetooth® hands free and audio streaming, climate control, Intelligent Key® with push button start and remote keyless entry – all helping you to get to your destination in a way that's connected and effortless.

Bluetooth® Connectivity

Stay connected with Bluetooth® capabilities in the Nissan PATROL. Radio AM/FM, CD/MP3 player with 2GB HDD music box, Bluetooth®, USB and iPod connectivity.

Advanced Drive Assist Display

Stay focused on what's important: driving. The Nissan PATROL combines all the information you need at a glance, displaying it brilliantly clear and right before your eyes.

Colour Touch Info-Screen

Control entertainment, comfort and access all the information that matters with the 8" colour touch screen for more action and less distraction.

Keyless Entry with Start Stop Button

The Nissan Intelligent key allows you to unlock doors with your key safely in your pocket. Add push Start-Stop button as standard, and the Nissan PATROL is always ready to go.

Dual or Tri Zone Climate Control for individual comfort.

Ultra micro-fibre insulation in the front door panels for noise reduction.

Driver and rear seat passenger accessible console refrigerator compartment.

Independent wireless headphone and remote enabled passenger vehicle Infotainment.

Independent 8" rear seat entertainment screens for music, games and video.

13-Speaker Bose® premium sound system.

ATTENTION TO DETAIL IN EVERY SEAT

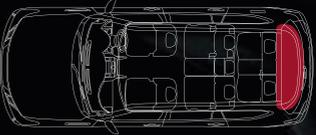

Premium levels of comfort, spaciousness and access to infotainment for all to enjoy, regardless of the seat you are in. The Nissan PATROL offers a truly first class travel experience for all.

Versatility with 8 different seating/cargo configurations.

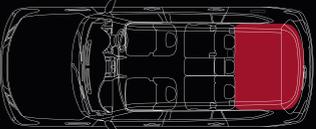

468L BOOT CAPACITY

All seats upright.

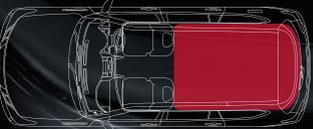

1 413L BOOT CAPACITY

Third row seats folded flat.

2 623L BOOT CAPACITY

Second and third row seats folded flat.

CLASS LEADING SPACE FOR PREMIUM PRACTICALITY

Experience head, shoulder and legroom across all three rows of executive seats like never before. Access to various storage compartments and third row power controlled seating means that the Nissan PATROL offers purposeful luxury and practicality.

Nissan's commitment to quality

To provide all customers with a consistently high level of quality, Nissan applies the same standards worldwide, to ensure that all Nissan owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: First, the expectation of a smooth driving experience with complete peace of mind. Second, the intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. Third, the level of attentiveness and service during the sales process, and long after the sale is concluded.

MODEL	LE

AFTERSALES
OUR PROMISE. YOUR EXPERIENCE

Nissan's commitment to the environment

Nissan's environmental philosophy embraces people, vehicles and nature. In the pursuit of a sustainable mobile society, the Nissan Green Program aims to reduce the environmental impact of Nissan vehicles at every stage of the vehicle life cycle, while corporate activities address environmental challenges.

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving us to a world that’s safer, more sustainable, and exciting.
