

QASHQAI

QASHQAI

The ultimate crossover, reimagined.

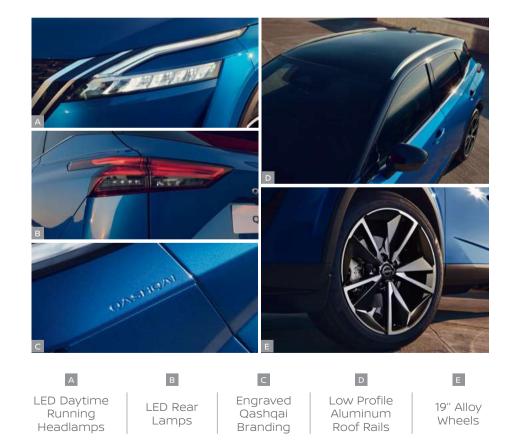

It's been 16 years since the Nissan Qashqai pioneered the crossover segment, back in 2006. The first of its kind that paved the way by blending the best of what a hatchback could offer, with awesome SUV practicality.

Now in it's 3rd generation, Qashqai is reimagined to again, define what the crossover of tomorrow can be, today. Expect exceptional standards of enhanced styling and elevated premium comfort with a host of exciting driver technologies unlike anything else in the category.

A bold origin story. A striking new design.

The all-new Nissan Qashqai, with its bold, imposing stance, two-tone colours, sharp LED headlamps and sporty 19-inch alloy wheels. Expect bigger, bolder and better, with attention to detail given in unexpected places, throughout.

With a completely new design and trusted Japanese craftsmanship, Qashqai once again brings a new vision to the market.

Qashqai transformed, inside and out.

The cabin of the all-new Qashqai sets a new segment standard for premium feel, distinctive design and intuitive usability. The premium quilted leather-accented seats, calm ambient mood lighting and sophisticated finishes make every commute an experience, as you feel at complete ease

Turn all-new into all-you.

Nissan Accessories help you personalise and style your Qashqai, make it even more comfortable or even more capable. Customise your Nissan Qashqai with the chrome Exterior Elegance pack, protect your trunk from dirt, mud and water or add a towbar to go to exciting family adventure. And if you need to carry bikes, skis, snowboards or just more stuff, our racks, boxes and other load carriers are specially designed to fit the bill smartly, safely and durably.

Advanced structural improvements.

Structural and engineering optimization has been a key priority part of the development of the all-new Nissan Qashqai. The aim is to deliver a stronger, lighter car for greater driving performance. The stiffer structure offers improvements in advanced agility and ride comfort, whilst the increase in use of aluminum in the bonnet and doors helps reduce overall body weight, resulting in lower fuel consumption. and peace of mind.

Improved suspension.

As well as improved standard suspension, all-new Nissan Qashqai is available with Multi-Link suspension for even more comfort and sportier, more agile driving.

Nissan's commitment to quality: To provide all customers with a consistently high level of quality, Nissan applies the same standards worldwide, to ensure that all Nissan owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: First, the expectation of a smooth driving experience with complete peace of mind. Second, the intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. Third, the level of attentiveness and service during the sales process, and long after the sale is concluded. Legal notice: Every effort has been made to ensure that the contents of this brochure is correct at the time of going to print (October 2022). This brochure may be produced featuring prototype or accessorised vehicles exhibited at motorshows and in accordance with the company's policy of continuously improving its products. Nissan South Africa reserves the right to change the specifications and the vehicles described and shown in this brochure at any time. Nissan dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan dealer to receive the most up-to-date information. Due to the limitations of the printing process used, the colours shown in this brochure may differ slightly from the actual colours of the paint and interior trim material used. All rights reserved.
